

Annual Meeting & Pot Luck

July 2009

We always have to many cooks in the kitchen, but manage to have a good time! You can guarantee there is to much food and great food to boot. This was a the last year we were joined by friend and member Bob Jones (the one always trying to help the cooks.) Bob passed away at the beginning of 2010. In memory of Bob, who loved his dogs, and loved to eat! God Speed our friend.
