

HOSSC Canine Health Guidelines

The Health and Canine Health Foundation Committee is a standing committee appointed by the HOSSC Board of Directors. The Committee consists of one Chairperson at minimum. Other members may be added as needed and/or available.

Annual Requirements

Provides an Annual Report for HOSSC Annual General Meeting consisting of a list of newsletter health topics and health announcements posted through the Yahoo list (if any) which is to be filed with the Secretary.

Bimonthly Requirements

The primary objective of this committee is to provide the membership with relevant Canine Health information by providing articles for publication in the HOSSC Heartbeat.

General Requirements

Chairman will provide current and accurate information on health concerns to the membership, including relevant updates from the AKC Canine Health Foundation.

Effective January 2014
